Only 44 Seats Are Available

Join us for a **Brand New Tour** in the much overlooked area of the Finger Lakes, "The West Side". When thinking of the Finger Lakes, most people forget about Conesus, Hemlock, Canadice and Honeoye Lakes. This region boasts many hidden gems and today we will explore, taste and interact with the local businesses calling the West side home.

The first stop of the day is at **East Hill Creamery** in the quaint town of Perry. Experience a **Guided Tour** by owner Gary Burley as he explains the history of the Burley Family dairy, why they decided to start making cheese, the beginnings of the creamery, all about the cheese making process, and anything else you would want to know! Did we mention that cheese samples will be included in the tour?

Next, travel to Conesus Lake where you will visit **Deer Run Winery** and enjoy a wonderful **Buffet Lunch** catered by the **Landmark Red Osier Restaurant**. Lunch includes: Sliced roast beef au jus, slider rolls, macaroni salad & field green salad. A Vegan or Vegetarian Meal is available if requested upon signup. Enjoy lunch while **Sampling (6) Wines**, one of which will be paired with a cookie made by the **Finger Lakes Cookie Company**. Also included is a **Guided Tour of the Vineyard & Tank Room**.

Just a short drive away from Deer Run is **OSB Ciderworks**. Back in the day, the current owner's father and late uncle hid their homemade hard cider from their Aunt Bobby in stumps. The phrase "let's go blow up some stumps" became code for backyard swilling because the cider was so strong it could blow up stumps. Take a **Guided Tour** with the cider maker and **Sample (6) NY Hard Ciders**.

Now it's time to relax and enjoy a ride to the North East side of Honeoye Lake where you will visit **Noble Shepherd Brewery & Wizard Of Clay**. After being divided into two smaller groups, one group will be able to watch a **Pottery Demonstration** by the owner of Wizard of Clay and ask questions. Time will be made to shop the unique hand-made pottery items. The other group will enjoy a **Sampling of (4) Craft Beers** inside Noble Shepherd Craft Brewery. The groups will then switch so everyone will experience each unique property.

As we depart for home, a stop will be made in Batavia at Tim Horton's & Wendy's, which are located next to each other, for a pay on your own meal stop. Don't buy dessert because the next stop will be a sweet conclusion to the trip.

Upon arrival at **Oliver's Candies**, you will be greeted and given a **Single Scoop Of Ice Cream** AND a **Free Sucker** before departing.
