

COVID-19 Track Policies

Wellness:

- Instructors, track participants & parents should monitor their health for the 2 weeks leading up to the start of tennis lessons.
- Once track has started, they should monitor their health daily.
- Instructors will be told to report any COVID-19 symptoms to their supervisors. If an instructor reports any respiratory illness symptoms, they will be told to stay home. If an instructor reports symptoms during the work day, they will be sent home immediately.
- If your child is displaying any symptoms of COVID-19 or you think they may have been exposed, please notify us immediately at 831-1001.
- If an instructor or track participant is confirmed to have COVID-19, staff & families will be informed of their potential exposure, while maintaining confidentiality.
- If the instructor notices your child exhibiting symptoms, you will be notified to pick them up immediately and they will not be able to return until cleared. The health & safety of all participants & instructors is of the utmost importance.
- Parents must supply both their cell phone number (s) and email address when registering their child for tennis lessons so that the staff can easily correspond with them as necessary.

Day to Day Operations:

- Participants will go in one gate & exit out a separate gate, **No exceptions!**
- Temperatures of all instructors will be taken daily with a touchless thermometer.
- As participants arrive at the entrance gate each day for track, their temperature will be taken with a touchless thermometer & the instructors will perform a wellness check by asking various questions. This information will be kept in a health screening assessment log.
- Attendance will be taken daily. Instructors will call the parent of any participant that is not at track. Please inform the instructors ahead of time of any dates your child will be absent from Track
- If students are arriving to class on their own, they will be instructed as to which gates to go in & out.
- **Parent are NOT permitted on the track or allowed to stand on the outside of the fencing. They may watch from the stands. Limit of 2 spectators per participant is allowed.** Vulnerable populations should stay home.
- Class size will be limited to 60 students per session, 10 participants per instructor. Participants will remain with the same group for the entire duration of the Track Program.
- Participants must leave the track property ASAP following their session to allow the staff time to sanitize high touch areas, to prepare for the next session and to avoid contact with the next group.
- Students are required to have their own water bottles. They should have enough water to last the entire class. They will not be permitted to use the drinking fountain.
- Hand sanitizer will be available on the track & must be used at check-in, at dismissal & as often as possible during lessons.
- Any bags that students bring will be staggered 6 feet apart from any others
- Additional staff will be on hand to periodically sanitize the restrooms.
- Instructors will be required to wear masks any time they cannot be socially distant from the participants. Masks will be optional for participants & spectators.
