PARENT & CHILD

LESSONS

SUMMER SESSION 1

OVERVIEW:

Dates Range from
June 18th - July 17th

- This class that benefits both parents and children provides adults with safety tips and teaches techniques to boost children's skills.
- Through basic skill practice and game play children are introduced to the water and taught swimming readiness. Guidance from instructors allows for confidence and safety around water to grow.

LESSON INFO:

At this time, Parent & Child Lessons will be offered as a 4-week session. See reverse side for class dates and codes.
