Jefferson Kids Club FAQs

What precautions are you taking to help prevent the spread of COVID-19? Anyone entering the building (including staff, children, and parents/guardians) must go through our health screening process which includes a brief questionnaire and having their temperature taken. Children will be assigned to a small group and location within the building. Classrooms and equipment will be sanitized regularly. All employees and any adults entering the building will be required to wear face coverings. Children strongly encouraged to wear masks.

What will my child be doing at Kids Club? Members can enjoy our gymnasium, game room, computer lab, lounge, cafeteria, and homework room. We offer arts and crafts, sports and games, special events, themed activities, enrichment activities, and fun projects! When the weather allows, we utilize the green space, playground, and basketball court on site.

How does my child get to Jefferson? Transportation may be available through the Ken-Ton Transportation Department; it is your responsibility to contact them and request transportation from your child's school to Jefferson. On school holidays, transportation is not provided.

When are you open? Kids Club is open 2:45-6:00pm Monday-Friday during the school year. We are also open for early release days, and we open 8:00am-6:00pm for most school holidays. We follow the Ken-Ton School District calendar only. We do not open in the mornings before school. We will not open for snow days.

I only want my child to come a few days a week. Can I only pay for those days? We offer monthly and daily membership options, you can choose the one that best fits your needs. We are not able to pro-rate these fees any further.

How do I get a membership? You can purchase a membership online, or come into the Youth, Parks & Recreation office. We do need a completed membership application for each child before he/she attends (even if your child was a member last year or attended summer camp). Fill out our online member information form at <https://www.surveymonkey.com/r/kidsclub2021>

How do I renew my membership? You can pay online at www.ttypr.com, send a check by mail to the Youth, Parks & Recreation office, or stop by the Youth, Parks & Recreation office. We are unable to accept payment over the phone. Payment is due at time of registration. You must pay for your child's membership by the 1st of each month.

What is an Access Card? Access Card holders receive discounted daily rates at Brighton and Sheridan Golf Courses, Brighton and Lincoln Arenas for Rec Skates, Brighton, Lincoln, Kenmore, and Mang Pools, Aquatic and Fitness Center, miniature golf at Brighton Bay, discounted monthly membership at Jefferson Kids Club, and waived visit fees at the Sheridan Youth Center. Access Cards are valid for one year and may be purchased at the Youth, Parks & Recreation office. Rates: Youth (4-17 years) \$8, Adult \$15, Family (2 adults and 4 children under 17 years) \$40.

What time should I pick up my child? Kids Club closes at 6:00pm sharp every day. You must sign your child out at pick-up and show valid photo ID.

Do you provide food? We do not provide lunch or snack. We recommend sending your child in with an afternoon snack. On early release days and school holidays, you must send your child with a lunch, drink, snack(s), and utensils. We cannot heat or prepare food. If your child arrives without a lunch, you will be contacted to bring one in or arrange for delivery.

Is my child eligible to attend? We take children ages 4-12 (up to and including 7th grade). Your child must be fully potty-trained and be able to use the restroom, change, and clean him/herself up as needed, without assistance. Your child must be able to safely participate within a 12:1 child to staff ratio, transition successfully between activities, and participate in group play.

What certifications/trainings do your staff receive? All Youth, Parks & Recreation staff are required to take a series of online trainings, including topics such as bloodborne pathogens, customer service, and workplace violence. Most of our staff are college students, many of them studying Education or Recreation. Some of our staff are teachers and teacher aids. Most counselors hold current CPR and First Aid certifications.

Can I claim this on my taxes? Please consult your tax preparer regarding claiming a credit. You may request a W-10 form from our office (please contact us at 831-1001 or nfields@tonawanda.ny.us). *Please note: The Jefferson Youth Center is considered a community center that you pay membership fees to, not childcare, daycare, or an after school program.*

KIDS CLUB CLOSED:

November 26, December 24-25, December 31-January 1, April 2, May 31,
