

FREE ACTIVITIES

The Senior Center will continue to offer a free activity each day, Monday - Friday at 10am, until September 11. After that date, the Center will offer Exercise on Mondays and Thursdays, Preventing Falls on Fridays and Bingo on various days at no charge. You **MUST** be pre-registered for all activities! Call the Center for more information.

MAKE-UP CLASSES

When the Senior Center closed in March, due to COVID, we were in the middle of a class session. Seniors in each of the classes have 3 or 4 classes to make up. The make-up classes will begin in mid-September and we will leave a "bye" week in case we need it.

Students will be called and be given the exact dates for each class. There are a few room and time changes. Only those seniors that were previously registered and paid will be able to attend the make-up classes.

NEW SESSION OF CLASSES

A new session of classes will be offered beginning in mid-October. As we cannot hold two sessions this fall we will make the new session eight weeks instead of six weeks. You will notice that the rates are higher than the normal rates, this is due to the two additional classes.

Signup for these classes will begin on Monday, September 14. You may pay by mail by sending in a check or at the Senior Center. At present time the Senior Center is opened limited hours so call ahead for information. All payments for the new class session must be made **NO** later than Friday, October 16.
